George Washington's Estate, known as Mount Vernon, is located in Mount Vernon, Virginia, along the Potomac River and is probably the most scenic attraction in the Washington DC area. Mount Vernon, the home of George and Martha Washington, is the most popular historic estate in America. During our visit to Mount Vernon, you can visit the 21-room Mansion, more than a dozen original structures, Washington's Tomb, and nearly 50 acres of his extensive plantation. The estate also includes a working blacksmith shop and the Pioneer Farm site, a 4-acre demonstration farm with a reconstructed slave cabin and 16-sided treading barn.

This capstone celebration will pay homage to a successful year with an elegant dinner, live music and the opportunity to explore the galleries and educational foundations of the museum.

Founded in 1987, the National Museum of Women in the Arts is the only major museum in the world solely dedicated to recognizing women's creative contributions. Founded to redefine traditional histories of art, the NMWA is the foremost museum dedicated to celebrating the diverse artistic achievements of women. Today, the museum honors women artists of the past, promotes the accomplishments of women artists of the present, and assures the place of women artists in the future.
