NOTICE TO SCHEDULE (NTS)

Applicants are advised to see the Candidate Bulletin at www.nasba.org for complete instructions. After eligibility to take the examination is determined, NASBA will issue an NTS to applicants. The NTS is sent via the method of notification selected by the applicant.

The NTS is valid for one testing event or six months, whichever is first exhausted for each examination section. The email is sent from cbtnnts@nasba.org. If the NTS is not received within four weeks of submitting a First-time Application, contact CPA Examination Services via email at cpaexam@nasba.org.

If your NTS expires prior to taking the examination section(s), applicants will not be able to reschedule, receive a credit or receive a refund on any of the fees paid and will have to reapply for the examination and pay the appropriate fees.

The NTS must be presented for entry at the testing center. Applicants arriving without an NTS will be denied permission to test. Applicants will forfeit fees and be required to reapply and pay applicable fees.

The NTS can be reprinted at www.nasba.org.

SCHEDULING THE EXAMINATION

Upon receipt of the NTS, applicants are required to contact Prometric at www.prometric.com/CPA/default.htm to schedule the examination. The scheduling, rescheduling or cancellation of testing appointments is done through Prometric. See the Candidate Bulletin located at www.nasba.org for complete instruction on how to schedule, reschedule or cancel an appointment. Applicants may be required to pay a penalty and/or forfeit examination fees, depending on when Prometric is notified of the change or cancellation.

A list of test centers is available at www.prometric.com. CPAES does not control space availability or location of the test centers.

Applicants arriving for a testing appointment anytime after the scheduled appointment time may result in being denied permission to test. Applicants will forfeit fees and be required to reapply and pay applicable fees.

EXAMINATION CREDIT

Applicants may take the examination sections individually and in any order. Applicants shall be deemed to have passed the examination if the candidate obtains credit for passing each of the four examination sections. The passing score for each section is 75. Credit for passing an examination section shall be valid from the date of the examination regardless of the date on which the candidate receives actual notice of the passing score.

Credit for any section passed shall be valid for 18 months from the date the candidate took that section regardless of the number of sections taken or the scores on any failed sections. Applicants shall pass all four examination sections within a rolling 18 month period that begins on the testing date the first examination section was passed. Applicants who do not pass all four examination sections within the 18 month period shall lose credit for each section passed outside the period and must retake those sections.

Applicants cannot retake failed sections within the same testing window.
