Spend the day enjoying the vast views of Newport! Start your day with a guided tour of the Cliff Walk, a National Recreation Trail. On this tour, you will hear about the mansions and Newport Society at the turn of the century, the history of the Cliff Walk itself, and about the ecology of Narragansett Bay. In every direction, off in the distance, or straight down to the water's edge below, the breathtaking views and vistas are made more panoramic by the height of the cliffs and ledges. Next, you will tour the famous Breakers Mansion, Newport's most palatial summer residence built for Cornelius Vanderbilt by Richard Morris Hunt (1893-1895). This 70-room mansion, 13-acre estate has a spectacular view overlooking the Atlantic Ocean.
