WHAT YOU NEED TO KNOW ABOUT THE REQUIREMENT FOR PEER REVIEW

The purpose of the Board’s practice monitoring/peer review program is to assist licensees in improving the quality of financial reporting by evaluating compliance with professional standards.

The most important thing to know about peer review is that ALL LICENSEEES are required to respond to the Nevada State Board of Accountancy (NSBA) with an exemption or submission form regardless of the type of work performed or industry of employment. Undergoing a peer review and reporting peer review information are two different things, so read carefully to determine your responsibilities.

Peer Review Historical Changes
The NSBA changed its regulations in 2007 to require all individuals or firms that provide attest (audit, review and full disclosure compilation) services to obtain and report peer review. Prior to 2007 the Board handled the review through its Practice Enhancement Program where selected licensees submitted copies of their reports for review by the Board. Since the change in law, practitioners that perform attest work must now enroll in the American Institute of Certified Public Accountants (AICPA) Peer Review program. This program is administered by the National Peer Review Program (NPRC) or by the Nevada Society of Certified Public Accountants (NVCPA).

Difference Between Administering Peer Review and Reporting Peer Review
The Nevada Board requires peer review as part of the requirements to maintain your license. The Nevada Society of CPAs (NVCPA) administers the peer review program through enrollment, processing of peer review results, and acceptance of peer review reports. The final approval by the administering agency is what needs to be reported to the Nevada Board.

The Nevada Board views the peer review process as educational for the licensees that undergo peer review. However, it should be noted that if a licensee fails to comply with the requirements of peer review it can result in the matter becoming a disciplinary issue. Disciplinary action can also be taken against a licensee even if they do not perform attest services and they have not replied to the Board with an exemption form.

The Board has seen an overall increase in disciplinary actions taken against licensees based on failure to respond or comply with the peer review program.

Making Nevada a Better Place to Do Business
**LICENSE RENEWAL TIME**

Every year a number of CPAs forget to renew their license. The Board considers failure to renew the license a serious matter. Be sure to maintain a current email address and mailing address with the Board and renew your license on time!

License renewal notifications will be emailed to all licensed CPAs and CPA firms during the first week of December 2019. Individuals without an email address will receive the notification by mail. You will NOT be able to renew your license prior to receipt of the notification.

If you do not receive your license renewal notification, be sure to visit the Board’s website at www.nvaccountancy.com to renew your license before the deadline date of January 31, 2019.

If your contact information has changed you can change the information by logging into your account or during the on-line renewal process.

**ACCOUNT LOG IN**

The Boards website includes an account login section. This section allows individuals and firms to review information pertaining to their license or registration.

Information available includes an update section for contact information, ability to print wallet cards, previously submitted renewals and continuing education, CPE Audit submissions, and Peer Review information. You will also be able to renew your license by logging into your account.

You will need your email and password in order to access your account information. If you do not remember your password, just click the forgot password link which will send an email with resetting instructions.

**CONTINUING PROFESSIONAL EDUCATION**

The CPE reported during the renewal cycle should be completed during the calendar year 2019. If CPE is completed outside the calendar year required (2019), penalties will be assessed. You can verify the required CPE for calendar year 2019 by visiting the Board’s website (www.nvaccountancy.com) and logging into your account.

**PRINTING YOUR WALLET CARD**

In an effort to utilize technology while being cost efficient, the Board no longer prints or mails the wallet card following license renewals. You can print your wallet card any time by logging into your account. You will also have the ability to print your wallet card information once you complete the on-line renewal process. A confirmation receipt of your renewal will be sent to your email address and this will also include the links to print your renewal form and the wallet card.

In the event you wish to order a plastic wallet card, information to purchase through NASBA will be provided in the confirmation email.
Individual licensees are selected rather than firm selection to assure that individuals that may be performing these services outside of their normal employment are still obtaining the required peer review. Each year one-third of the licensee population is requested to submit reports in accordance with Nevada’s Practice Monitoring Program (Peer Review).

Licensees that perform attestation services (audit, review and full disclosure compilations) are required to enroll in a peer review program, schedule the peer review and once that process has been completed, report to the Board the peer review report and letter of acceptance/completion. Individuals that do not provide these types of services OR are employed by a firm that has peer review can submit an exemption form.

Undergoing Peer Review

Peer reviews are required for licensees providing audits, reviews, and/or full disclosure compilations. Even if you have performed only one of these types of engagements, you must still undergo peer review. The Nevada Society of CPAs (NVCPA) and the National Peer Review Program (NPRC) administer the American Institute of Certified Public Accountants (AICPA) Peer Review program for Nevada.

The average length of time to complete a peer review is three to seven months. The following list is provided to assist you in understanding the necessary steps for completing a peer review:

1. Licensee enrolls in the AICPA Peer Review Program through the Nevada Society of CPAs (NVCPA) or NPRC.
2. NVCPA/NPRC assigns a peer review due date.
3. Licensee selects a qualified peer reviewer and reports the selected reviewer to the Peer Review agency to obtain approval that the reviewer is qualified to perform their peer review.
4. Peer Reviewer performs the peer review.
5. Peer Reviewer submits the peer review report to NVCPA/NPRC.
6. NVCPA/NPRC performs a technical review of the peer review.
7. NVCPA/NPRC sends the licensee an acceptance letter unless additional follow up is required or needed.

If you are unable to complete the peer review by the reporting date and obtain approval for submission to the Board by the deadline, you still must respond to the Board’s request for peer review information by the reporting deadline. You will need to include in your response an explanation regarding the status of your peer review.

If you need additional time to complete the peer review, NVCPA may, in limited situations, grant you an extension to complete the peer review. Requests for extensions must be submitted directly to the NVCPA as the Nevada Board is not authorized to grant such requests. Should you receive an extension, please notify the Nevada Board office.

Reporting your Peer Review to the Nevada Board

The NVCPA and NPRC do not report peer review results or provide a copy of the peer review to the Nevada Board. The Board has access to a facilitated access program if the firm/licensee has opted into the sharing of this information. Therefore you must respond to the Board with the requested peer review documents or information that indicates you have opted into the program.

Additional information regarding peer review can be found on the Board’s website at www.nvaccountancy.com or you can contact the Board office.

Making Nevada a Better Place to Do Business
Nevada Revised Statute 628.386 provides the Nevada State Board of Accountancy with the authority to prescribe regulations for the conduct of the continuing education program. One of the control procedures adopted by the Board is an annual documentation review of continuing education credits claimed by licensees. Licensees are randomly selected to participate in the continuing education audit. The following is a report of the audit results:

The Nevada State Board of Accountancy appreciates the cooperation received from participating licensees. All licensees are encouraged to maintain the necessary documentation for continuing education that is intended to be used for credit under Regulation (NAC) 628.210 -250.

Making Nevada a Better Place to Do Business
DISCIPLINARY REPORT

In accordance with NAC 628.450, disciplinary actions that are a matter of public record are reported in the Newsletter for the information of licensees and the general public. Questions regarding these matters should be directed to the Board office. The following is a report of actions taken by the Nevada State Board of Accountancy. The report of discipline is provided in chronological order beginning with January 2019 through August 2019.

Kevin G. Breard, CPA and Breard & Associates, Inc. CPAs were disciplined by the Board in March 2019 based on disciplinary action by the PCAOB. The Board approved a Stipulated Findings of Fact, Conclusions of Law, Disciplinary Order and Decision with the following provisions:

1. BREARD’s Certified Public Accountant’s Certificate No. CPA-4411R and BREARD AND ASSOCIATES’ registration CORP-0526 shall be placed on probation until August 9, 2023, the five-year period concurrent with the PCAOB suspension and bar in its Order issued August 9, 2018.

2. BREARD will complete 24 hours of continuing professional education ("CPE"), to include a minimum of 16 hours in attestation and 8 hours in practice management, in addition to his regular required annual CPE by December 31, 2019 and provide copies showing completion with his 2020 annual renewal. In the event another licensing jurisdiction imposes other CPE requirements, BREARD may submit a request to adjust the attestation and practice management hourly CPE requirements set forth above. The decision whether to adjust the CPE components shall be within the sole discretion of the Board.

3. BREARD will not associate with a PCAOB registered public accounting firm or accept any engagements to audit any issuer, as defined in Section 3 of the Securities Exchange Act of 1934 (15 U.S.C. 78(c)), during the probationary period.

4. BREARD and BREARD AND ASSOCIATES will forward copies of any correspondence with the PCAOB or Securities and Exchange Commission or their respective Staffs concerning the PCAOB Order discussed herein to the Board during the probationary period within 10 days of its date.

5. During the probationary period, BREARD and BREARD AND ASSOCIATES shall provide quarterly reports to the Board listing the names of new clients in Nevada for which attest services will be provided and the nature of the services to be provided.

6. If performing attest services for non-public clients in Nevada, BREARD and BREARD AND ASSOCIATES agree to pre-release reviews by a licensed certified public accountant for any attest work as defined in NRS 628.005 until the earlier of the probationary period ends or BREARD AND ASSOCIATES submits a completed peer review report as issued by the AICPA without comments. The cost of the pre-issuance reviews shall be borne by BREARD and BREARD AND ASSOCIATES. The certified public accountant preparing the pre-issuance reviews for BREARD and BREARD AND ASSOCIATES shall be approved by the Board. BREARD and BREARD AND ASSOCIATES shall submit engagement quality review reports to the Board within thirty (30) days of the issuance of each report.

7. BREARD and BREARD AND ASSOCIATES agree to pay a civil penalty of $5,000.00 and pay the Board’s investigative and attorney’s fees and costs of $2868.50 associated with this Consent Order. Prior to the expiration of the probationary period, BREARD and BREARD AND ASSOCIATES may pay in full and at any time the civil penalty and investigative costs totaling $7,868.50, or in 48 monthly installment payments of $163.92 each due on the 15th day of each month. With prior approval of the Board’s Executive Director, BREARD and BREARD AND ASSOCIATES may as an alternative to monthly payments, pay in advance $655.71 (constituting a quarterly payment), or $1,311.42 (constituting a semi-annual payment).

8. BREARD and BREARD AND ASSOCIATES may petition the Board to remove their respective Certificate and registration from the probation restrictions and conditions in this Consent Order once the outstanding civil penalty and fees and costs are paid in full, the CPE required has been completed to the satisfaction of the Board, and a completed peer review report as issued by the AICPA without comments has been submitted. The decision whether to remove the probation restrictions and conditions shall be within the sole discretion of the Board.

9. BREARD and BREARD AND ASSOCIATES’ failure to comply with any of the terms and conditions of these Stipulated Findings of Fact, Conclusions of Law, Disciplinary and Consent Order shall result in the immediate revocation of KEVIN G. BREARD’s CPA Certificate Number CPA-4411R and BREARD AND ASSOCIATES, INC. CPAs registration CORP-0526 without any further action or proceeding before the Board.

10. This Decision will be published in accordance with NAC 628.450.
