Candidates for the International Qualification Examination (IQEX) are required to have completed an additional 12 months of relevant work experience after obtaining the CA(CS) credential and being admitted to membership in the South African Institute of Chartered Accountants (SAICA). This experience may be verified by your direct supervisor. In addition to this form, attach a full detailed job description of the kind of work performed. If you were employed by more than one firm during this period, submit additional Verification of Experience forms and job descriptions.
