BUSCH GARDENS EXPERIENCE

Our private evening begins at the Crown Colony Area to enjoy a delicious reception and dinner. DJ and Dancing is available for you to enjoy.

COASTER EXPERIENCE

Cheetah Run

This triple launch coaster carries riders high above the park, then races down along the ground through a rocky gorge. Launch into the ultimate excitement of Cheetah Hunt®, our newest roller coaster experience that coaster enthusiasts can't stop talking about. At a length of 4,400 feet, it is the park's longest thrill ride attraction.

Montu

Challenge yourself to seven intense inversions on Montu®, a B&M inverted roller coaster named for an Egyptian god of war.

Climb high into the air and hold on for a twisting drop, a 60-foot vertical loop, an Immelman loop and a zero-G roll...and that's only the beginning! Whether you speak coaster or not, come see why Montu means thrills to roller coaster enthusiasts in any language. Impress your friends with these Montu® factoids: Montu has seven inversions, an unique Batwing inversion and pulls an intense 3.85 Gs. It was the first coaster in the world to incorporate Immelmann loop (a simultaneous loop and roll), named for a German fighter pilot.

SAFARI EXPERIENCE

Night Safari

If Coasters are not your thing, you will have the option to escape into the wild African night on the Serengeti Night Safari. Join your tour guide for an incredible African expedition. Feel the power of the night as you stroll through the Edge of Africa under the moonlight, then climb aboard your safari vehicle to explore giraffes, zebras, rhinos and other amazing animals on the Serengeti Plain.
