Information for Advisory Evaluation Applicants

PURPOSE

An advisory evaluation will identify academic deficiencies in your education prior to submitting an initial application for the Uniform CPA Examination (Exam). An advisory evaluation allows you to correct an academic deficiency prior to submitting an initial application for the Exam in the State of Wyoming.

Advisory evaluations are valid only for the current Exam education requirements for the State of Wyoming. If the requirements change prior to the initial Exam application, the advisory evaluation will be considered null and void. Education requirements for licensure may be different than requirements for the Exam. For additional information, see <https://sites.google.com/a/wyo.gov/wyoming-cpa/>.

Advisory evaluations are *advisory* in nature and are not a final determination of eligibility. A final determination of eligibility will be made by the Wyoming Board of Certified Public Accountants when an initial application for the Exam is submitted. For additional information see <https://sites.google.com/a/wyo.gov/wyoming-cpa/>.

APPLICATION FEE

Advisory Evaluation application: \$100.00 All fees must be paid in U.S. Dollars

Application fees are **NON-REFUNDABLE**. Fees paid for an advisory evaluation do not apply or carry over to applications for the Exam.
