NASBA Compliance Assurance Committee Report on the AICPA National Peer Review Committee

The American Institute of CPAs (AICPA) National Peer Review Committee (NPRC) administers peer reviews for (i) all firms who serve SEC issuer clients and, accordingly, are required to be registered with and inspected by the Public Company Accounting Oversight Board, and (ii) other firms who elect to have their peer review administered by the NPRC. The NPRC has firms that are located in every state. These are firms that provide audit services and assurance services. To provide transparency in the operations of the NPRC such that individual state boards of accountancy and their peer review oversight committees (PROCs) may rely on the effectiveness of the NPRC, NASBA and the AICPA developed a process by which the activities of the NPRC may be monitored and reports issued.

By agreement, two spots on the NPRC are designated to be filled by NASBA representatives. Currently two former state board members sit in these positions on the NPRC. The members are selected from a list of qualified individuals recommended by NASBA. The individuals serve on the NPRC as fully-participating members with full voting rights and the same responsibilities as other NPRC members.

Those NPRC members representing NASBA report periodically to NASBA's Compliance Assurance Committee (CAC) as to whether:

- The NPRC is complying with the AICPA *Standards for Performing and Reporting on Peer Reviews* (Standards) and other Guidance issued by the AICPA Peer Review Board and the NPRC;
- The NPRC has an appropriate oversight process in place for the reviews it administers and its peer reviewers;
- Results of the oversight process are transparent;
- Reviews are being conducted and reported upon in accordance with the Standards;
- Results of reviews are being evaluated on a consistent basis;
- The AICPA Peer Review Program is achieving its objectives based on the administration by the NPRC; and
- Comments, suggestions and other input from these two members are given full consideration as other such matters would be from any NPRC members.

Based on our discussions with our representatives on the NPRC, as well as reviewing the comprehensive oversight report prepared by the NPRC and the administrative oversight report issued by a third party, we are satisfied and can report that the NPRC has operated appropriately for the period of November 1, 2010 – October 31, 2011.
