

CONNECTICUT STATE BOARD OF ACCOUNTANCY

Letter from the Chairman

I am honored to serve as Chair of the State Board of Accountancy and hope to exceed the trust and expectations of the profession and the public. As a partner with Marcum LLP and an active volunteer in the community, I have been exposed to many of the issues facing CPAs and look forward to bringing my experience to the board.

The 2015 Connecticut State Board of Accountancy is comprised of almost all new members, with only one continuing member, and I believe the strong incoming board is qualified and committed to serving the community. We have an exceptional permanent staff, the support of the Secretary of the State's Office, and the legacy of our predecessors to provide us with a solid base to move forward. With a full agenda before us, I speak for the entire board when I say we are focused on maintaining the integrity and the ethics of CPAs and CPA firms in Connecticut.

I would like to formally extend my appreciation to the former board members, with special gratitude toward the transitioning board: Richard Gesseck, CPA, who served as temporary Chairman during the transition, and Attorney Martha Triplett, who is remaining a public member of the board.

Again, I, along with the members of the board, am honored to take on the role of ensuring the utmost integrity of the profession of public accountancy. As always, we encourage members of the CPA community and the public to attend board meetings, as well as to reach out to board members and staff with ideas and input.
