PREFACE

This bulletin is intended for individuals who plan to take the Uniform Certified Public Accountant (CPA) Examination. The examination is fully computerized and offered via a network of test centers across the United States and its territories, as well as Brazil, Europe, Japan, Latin America, the Middle East and South Korea.

Successful completion of the examination is one of the requirements for licensure by the 55 states and territories (jurisdictions) of the United States. In order to take the examination, you must be declared eligible by one of the jurisdictions. Each jurisdiction sets its own requirements for education, examination and experience.

Since 1917, the Uniform CPA Examination has proven to be a highly valid and reliable measure of candidate abilities. This focus on quality has made it possible for all U.S. jurisdictions to rely on the results in determining who is competent to practice public accounting in order to protect the public.

This brochure contains important information. Do not discard before receiving your examination results.

Visit NASBA's website to download additional copies of this document.

Certified Public Accountant (CPA)

The CPA credential is a license issued by one of the 55 states or territories of the U.S. that authorizes the holder to practice as a CPA in that jurisdiction. Licensing of CPAs helps to protect the public interest because only those individuals who have met prescribed requirements are permitted to identify themselves to the public as CPAs. One component of the licensing requirement designed to ensure only qualified individuals become licensed as CPAs is the Uniform CPA Examination.

Examination Partners

The following pages provide a brief description of the examination partners including the 55 Jurisdictions, NASBA, AICPA and Prometric.

The 55 Jurisdictions

The 55 Jurisdictions: The CPA license is issued at the jurisdiction level. To become a CPA, you must be declared eligible for the examination, and subsequently licensed, by the Board of Accountancy in one of the 55 U.S. jurisdictions. The Constitution of the U.S. grants each state or territory the power to regulate the practice of the professions within that jurisdiction's borders. In most jurisdictions, these powers are carried out by a "Board of Accountancy." These Boards of Accountancy are made up of appointed individuals and staff (many of whom are CPAs) who are charged with the responsibility of carrying out the laws promulgated by the legislatures and providing an appropriate examination for licensure. The Board of Accountancy is an administrative agency that handles the day-to-day operations relative to regulating the practice of accountancy including activities involved with entry into the profession. In some cases, the Board of Accountancy contracts out certain examination-related tasks such as the review of applications and collection of examination fees.

AICPA

The American Institute of Certified Public Accountants (AICPA):

The AICPA is the largest national, professional organization for CPAs. The AICPA provides members with the resources, information and leadership that will enable them to provide valuable services, in the highest professional manner, to benefit the public as well as employers and clients. For the Uniform CPA Examination, the AICPA determines the content of the examination, prepares the examination questions, determines the method of scoring, prepares advisory scores and conducts statistical analyses of examination results.

NASBA

The National Association of State Boards of Accountancy (NASBA):

The 55 U.S. and territorial Boards of Accountancy are the members of NASBA. NASBA exists to serve its members by providing numerous services that encourage common understanding and practices to promote uniformity across the country to facilitate interstate practice. NASBA takes on the role of a central clearinghouse where all jurisdictions submit information on eligible candidates and from which all jurisdictions receive advisory scores and other examination data.

Prometric

Prometric: Prometric is the global leader in technology-enabled testing and assessment services for information technology certification, academic admissions and professional licensure and certifications. Prometric operates a network of computer-based test centers around the world. Among its many clients are the professional licensure examinations for physicians, architects and pharmacists, as well as educational examinations such as the Graduate Record Examination (GRE).

Examination Process

Taking the examination involves a series of steps. While each Board of Accountancy has the right to develop its own laws and regulations, and there are variances in this process from state to state, the basic process may be explained as:

- 1 **Apply to Take the Examination**
- 2 **Complete Payment of Examination Fees**
- 3 **Review the Tutorial and Sample Tests**
- 4 **Receive Your Notice to Schedule**
- 5 **Schedule Your Examination**
- 6 **Take Your Examination(s)**
- 7 **Receive Your Score Reports**

You may request,
complete and submit
an application online
in most states at
cpacentral.nasba.org.

There are numerous details that make up each step, and these are explained in the remaining sections of this Bulletin. Aside from the basic process, be sure you know your Board of Accountancy's specific requirements for each step in the process. A list of the Boards of Accountancy and their contact information may be found on NASBA's website. Individual Board of Accountancy requirements can be found either on the board's website or on NASBA's website. You will also find important information on the Uniform CPA Examination website. It is strongly recommended that you visit these websites and familiarize yourself thoroughly with the information provided.

Preparation for the Examination

The CPA Exam consists of four, four-hour sections: Auditing and Attestation (AUD), Business Environment and Concepts (BEC), Financial Accounting and Reporting (FAR) and Regulation (REG). You must pass all four sections within 18 months, earning a minimum score of 75 on each part.

The best preparation for the Uniform CPA Examination is a thorough review of the examination content. Click the buttons below to review the study materials, sample tests and features and functionality video.

CPA Exam Study Materials →

Examination content, skills and representative tasks are provided in the Examination Blueprints. Make certain you review the Blueprints for each Examination section to learn about the specific topics tested in each Exam section.

CPA Exam Sample Tests →

Take the sample tests to become familiar with typical multiple-choice questions, task-based simulations, and written communication tasks, as well as with the software that is used for the Examination.

CPA Exam Features and Functionality Video →

Watch the features and functionality video for highlights of the exam software. You'll find various topics that discuss the functionality of tools, resources and navigation found in the CPA Exam.

The Uniform CPA Examination® consists of several question types that test the knowledge and skills required of newly licensed CPAs.

Candidates are responsible for reviewing the tutorial and sample tests. Before the beginning of any examination session, candidates must attest to the fact that they have had the opportunity to review the tutorial and sample tests, as well as the Candidate Bulletin. This requirement is intended to ensure that before candidates report to the test centers, they are knowledgeable about the examination process, and thoroughly familiar with examination functionality, format and instructions. Failure to follow the instructions provided in the tutorial and sample tests, including the instructions on how to respond, may adversely affect candidate scores.

International Applicants

International administration of the CPA Examination is currently offered in England, Scotland, Ireland, Germany, Brazil, Japan, Bahrain, Egypt, Jordan, Kuwait, Lebanon, the United Arab Emirates, and South Korea, Saudi Arabia, and Israel. If you live in one of these testing locations, or other select countries, you may be able to take the Examination without traveling to the U.S.

The Examination is only offered in English, and is the same computerized test as the one administered in the U.S. You are required to meet the same eligibility requirements and complete the same licensure requirements as your U.S. counterparts.

Applicants from countries other than the U.S. must follow the same basic steps as U.S. applicants. This means you must select the jurisdiction in which you wish to qualify and file an application with the Board of Accountancy (or its designated agent) in that jurisdiction. Any special instructions for candidates who have completed education outside the U.S. are included in the Board of Accountancy requirements. For more information on the international administration of the CPA Examination, visit the [International section](#) of NASBA’s website.

The Application Process

You must submit an application with any required documents and fees each time you want to take one or more sections of the examination. Once your application has been evaluated, you will be contacted by your Board of Accountancy or its designated agent.

When you submit your application, you may also be required to submit some or all of the application and examination fees. Because the rules vary by jurisdiction, follow the information provided to you by your Board of Accountancy, or its designated agent, when paying the fees associated with the examination. Be sure you follow the most recent instructions supplied by your board or its designated agent.

For jurisdiction-specific requirements, be sure that you follow the requirements of your Board of Accountancy. You are ultimately responsible for following the rules and completing all sections of the examination within the timeframe and according to the rules adopted by your Board of Accountancy.

Specific requirements for becoming a CPA, as well as the rights and obligations of a licensed CPA, are set forth in the laws and regulations of the 55 U.S. jurisdictions. A general summary of CPA licensure requirements by jurisdiction may be found on [NASBA's website](#).

IDENTIFICATION

Important: The name on your application must appear exactly the same as it appears on the identification you plan to take to the testing center.

Note: The middle initial can be substituted for the middle name (e.g., your NTS reads Michael A. Smith, but the name on your driver's license reads Michael Albert Smith), or vice versa.

Pay Application and Examination Fees

Taking the examination involves two categories of required fees that are to be paid either to your Board of Accountancy, its designee or to NASBA. The required sections are as follows:

APPLICATION FEE

This fee is established by and paid to your Board of Accountancy or its designated agent.

EXAMINATION FEE

This fee is paid either to your Board of Accountancy, its designated agent or to NASBA. Examination fees are established by Boards of Accountancy, NASBA, the AICPA and Prometric.

You must pay additional fees for each examination section you plan to take in Guam or in international locations upon registration, regardless of which Board of Accountancy has declared you eligible for the examination.

When you submit your application, you may be required to submit some or all of the application and examination fees. Because the rules vary by jurisdiction, follow the information provided to you by your Board of Accountancy or its designated agent when paying the fees associated with the examination. Keep in mind, the length of time to complete the application process will vary depending on the jurisdiction to which you are applying.

Important: You are able to apply for one or more sections of the examination at a time; however, the Notice to Schedule is valid for one testing event or until the expiration date (see Step 3: Receiving your Notice to Schedule; pg. 25), whichever is first exhausted for each examination section. This includes non-testing months.

PAYING APPLICATION AND EXAMINATION FEES

SCENARIO ONE

*In some cases, boards of accountancy will collect the application and examination fees.
In this situation:*

You are required to pay your Board of Accountancy or its designated agent all fees associated with the examination at the time that you apply. The fees you pay include an application fee charged by the Board of Accountancy and the examination fees. Each time you apply to take one or more sections of the examination, pay all fees directly to the board of accountancy or its designated agent. Once your application has been received, you may not be able to change the requested sections of the examination and you may be charged an additional fee for any changes.

You may be required to pay your Board of Accountancy or its designated agent an additional fee for a background check.

After your Board of Accountancy or its designated agent has accepted your application and fees, it will notify NASBA which sections of the examination you are eligible to take.

Your Board of Accountancy or its designated agent will inform you of the application processing time and when to expect your Notice to Schedule (NTS). Once your NTS is ready you will receive an email that will direct you to our NASBA CPA Candidate Account website (<https://candidate-portal.nasba.org>) where you will be able to view/print your NTS.

SCENARIO TWO

In other cases, the board of accountancy or its designated agent will collect only the application fee, and you will pay the examination fees separately to NASBA. In this situation:

You are required to pay your Board of Accountancy or its designated agent only the application fee at the time that you apply. Each time you apply to take one or more sections of the examination, you will pay the application fee to the Board of Accountancy.

After your Board of Accountancy has accepted your application and fee, it will notify NASBA as to which sections of the examination you are eligible to take. NASBA will then send you an email notifying you that your payment coupon is ready on the NASBA CPA Candidate Account website (<https://candidate-portal.nasba.org>) where you may view and make your payment.

Within five (5) days of paying your examination fee, you will receive an email that will direct you to our NASBA CPA Candidate Account website (<https://candidate-portal.nasba.org>) where you will be able to view/print your NTS. If your NTS is not visible after receiving the notification that your NTS is ready to view/print from the NASBA CPA Candidate Account website, call a NASBA candidate service associate at 866-MY-NASBA (866-696-2722). You will not be able to schedule an examination appointment or take the examination without a valid NTS.

You must print your NTS or save an electronic copy which must be presented at the testing site or you will not be allowed to test. If you do not print your NTS or have an electronic copy saved then try to retrieve your NTS at the testing center the day of the exam and become locked out of your account you will not be allowed to test and will forfeit those fees for the exam section you miss.

Important: If you reschedule an appointment, there may be additional fees (see Rescheduling/Cancellation Fees table in Step 3: Scheduling). ADDITIONAL INFORMATION 59

STEP 2: RECEIVE YOUR NOTICE TO SCHEDULE

Once your application has been processed, and you have been determined to be eligible to take one or more sections of the Uniform CPA Examination and you have paid all fees, you will receive an email from NASBA notifying you that your Notice to Schedule (NTS) is ready for viewing and to print from your NASBA CPA Candidate Account. Your NTS will list the section(s) of the examination that you are approved to take, enabling you to contact Prometric to begin the scheduling process.

Download and print your NTS, then verify that all information is correct. Be certain the name appearing on the NTS matches EXACTLY the name on the identification documents that you will use during check-in at the testing center. If the information is incorrect, or your ID and NTS do not match, immediately contact your Board of Accountancy or its designated agent to request a correction.

You must bring your NTS with you to the examination, and will not be allowed to enter the testing center if the name on the identification that you present does not exactly match the name on the NTS. Be sure to take the correct NTS with you. You will not be admitted into the test center without the correct NTS and you will forfeit all examination fees for that section.

The middle initial can be substituted for the middle name (e.g., the NTS reads Michael A. Smith, but the name on the candidate's license reads Michael Albert Smith), or vice versa. If you require a reprint of your NTS, you may request a reprint on [NASBA's website](#).

Your NTS includes the examination section identification number for each approved section of the examination. This number is also used as the examination "Launch Code" (Password) for each approved section. You will enter the Launch Code on the computer as a part of the login process.

Boards of Accountancy set the time period for which an NTS is valid (generally six months) during which you must schedule and take the examination section(s), after which it will expire and all fees will be forfeited.

It is strongly suggested that you not apply for a section of the examination until you are ready to take it. If you do not take all sections for which you registered before the NTS expires, you will not be able to extend it or receive a refund of any of the fees you have paid. Please be advised that cancelling an Exam appointment does NOT change the expiration date of your NTS.

Once an NTS has expired, you will need to submit a new application, including application and testing fees. Fees submitted for an expired NTS cannot be applied to future examinations. You cannot have more than one open NTS for the same section. You must receive the score or allow the NTS to expire before you can apply for the same section again and receive a new NTS for that section.

You will receive an email once your score has been finalized and your score notice is available for download from your NASBA CPA Candidate Account. NASBA does not release scores or score notices for CA, IL, KY, or MD.

REG	611035	611035	12/19/12	12/19/13

Passport Name:

Check the accuracy of your name: The same version of your name must appear on your application, this Notice to Schedule (NTS), and on the identification (ID) you present at the testing center. If your name on this Notice is not correct, contact your state board of accountancy or its designee at least 10 days before your test appointment.

Schedule your exam: We recommend you schedule your exam within **5-7 days** of receipt of this Notice. Use the online scheduler at www.prometric.com/cpa, or call the Customer Service Call Center at 800-580-9648.

Take the Exam Tutorial and Sample Test at www.cpa-exam.org to review features unique to this exam. Candidates are encouraged to review the tutorial to become familiar with the functionality of the examination.

IMPORTANT INSTRUCTIONS - READ CAREFULLY BEFORE YOUR EXAM APPOINTMENT

- Take this NTS, along with two forms of identification, to the test center. **You will not be allowed to take the exam if you do not have this NTS and acceptable identification (ID) with you!**
- All Uniform CPA Examination candidates are advised to read the Candidate Bulletin available at www.nasba.org
- Arrive at the test center at least 30 minutes before your scheduled examination. A digital photo will be taken as part of the check-in procedures. Late arrivals may not be able to take the exam.
- Your ID will be scanned and swiped in a magnetic strip and barcode reader and biometrics will be used to capture your finger print to increase security and identity validation.
- Be aware that once you enter your password to start the exam, you have limited time to read and respond to the introductory screens. If that time is exceeded, the exam will automatically terminate and it will not be possible to restart the exam.
- During the exam you may only take a break during scheduled break times (i.e., from the time you end one examination section testlet until you begin the next testlet). The exam clock continues to run during breaks.

To reschedule or cancel a test appointment: You may reschedule or cancel at www.prometric.com/cpa or by contacting the Customer Service Call Center. If you reschedule fewer than 30 business days before your appointment, you will incur a rescheduling fee. No cancellations are allowed 24 hours or less from your appointment time.

YOU MUST TAKE THIS NTS TO THE TEST CENTER. YOU WILL NOT BE PERMITTED TO TAKE THE EXAM WITHOUT THIS DOCUMENT!

Continuous Testing

Candidates may now take the computer-based Uniform CPA Examination year-round. Site availability may vary due to individual test center hours of operation.

Continuous testing will allow candidates to re-take a failed exam section shortly after receiving their score. Continuous testing may not be approved in your jurisdiction, so please check here: <https://nasba.org/exams/continuous-testing/>.

- Continuous testing is not linked to the location of the testing center, but to the jurisdiction applied to for the exam.
- Scores will still be released in waves. You can find the AICPA scheduled score release information here: <https://www.aicpa.org/becomeacpa/cpaexam/psychometricsandscoreing/test-windows-score-release.html>.
- The Exam section ID listed on your NTS is only valid

for one testing event or until the NTS expires.

- You cannot use the same section ID to schedule multiple appointments with continuous testing.
- You cannot use the same section ID to schedule a new appointment after you received a failing score.
- You cannot apply for a new NTS if you think you already failed the exam in order to book a new appointment before receiving your score.
- It will take at least 72 hours after you receive your score before you would be able to re-register for the same section.
- Once you receive your new NTS, you can schedule the exam for the next available testing date.
- The only limitations on how many times you can take a section is the time it takes to receive a score, reregister, obtain the new NTS, and find an available testing date.

Schedule Early

You should schedule your examination appointments as soon as possible after you receive your NTS. You must schedule your examination appointment at least five days in advance of the test date. To increase the likelihood that you receive your first choice of date, time and location, you should schedule at least 45 days before the desired test date(s). You must take each examination section within the time period for which an NTS is valid (before it expires). Your Board of Accountancy, NASBA, and Prometric are not responsible if you cannot schedule an appointment before a deadline expires in your jurisdiction.

Testing Centers

You will be allowed to take the examination at any one of the authorized Prometric test centers in the U.S., and designated international locations, whether or not the test center is located within the borders of the jurisdiction where you are seeking your initial license. The most current list of test centers may be found on the Prometric website.

Your Board of Accountancy will inform you if there are any restrictions on the locations where you can take the examination.

International Testing Centers

NASBA processes registrations for testing of the Uniform CPA Examination in international locations. This process allows candidates to schedule their examination at an international location.

U.S. citizens and permanent residents living abroad, and citizens and long-term residents of the countries in which the examination is administered may sit for the examination in international locations. For more information on eligibility requirements and testing in international locations, please visit the [NASBA website](#). If you are an International candidate, please check the International Testing Center Eligibility Table located on [Page 30](#) to see where you're eligible to take the Exam before beginning the scheduling process.

When you see this icon, it references information that is important for international candidates.

Schedule Your Examination Appointments

At the point of scheduling your examination, you will be asked to accept the Data Privacy Notice on the following page. Please note that all biometric data for candidates for the CPA examination, wherever generated, and all U.S. generated data, including candidate demographics and test results, is processed and stored in the U.S. All data center facilities for U.S. origin information are located in the U.S. at this time. Any plans to change the physical location of the data outside the U.S. will be made known to the CPA test sponsors before a change is effected.

Because candidates for many tests originating outside of the U.S. may have the demographic data and test result data processed in the U.S., or alternatively in Ireland or Malaysia, applicable data protection laws require Prometric to advise non-U.S. candidates of the possibility that their data will not be processed in their country of origin.

ALL U.S. origin data and all biometric data, regardless of country of origin, is processed and stored in the U.S.

DATA PRIVACY NOTICE

At Prometric, protection of your personal information, and making sure you understand how and why it is processed, is of paramount importance to us. As a data processor for your test sponsor, Prometric processes your personal information only for the purposes of registering and scheduling you for a test, administering that test, and processing the results. At no time will your personal information be used by Prometric for any other purpose without your permission. Your personal information, including your test results, will be provided to your test sponsor for the purposes of providing scores, certification, or other benefits to you. Prometric may also disclose your personal data to other Prometric entities for the purpose of providing you with testing information, administering the test, or processing your results. These Prometric entities may be located outside the country in which you take the test, and your personal information may be processed or stored there to provide results and information to your test sponsor. Adequate protection of your personal information is ensured at all Prometric entities.

You may access, limit the use of, or change your personal information by contacting your test sponsor during normal business hours. If you test with multiple test sponsors, Prometric may update your personal information for all test sponsors upon receipt of a change to your personal information. The above processing is necessary to administer a test to you, and we cannot register you for a test if you do not agree to personal information processing by Prometric as described above. You will have to contact your test sponsor if you do not agree to this processing.

If you have questions about this notice or wish to discuss the contents further, please contact us at DataProtectionManager@prometric.com.

CHOICE

- 1 ✓
- 2 ✓
- 3 ✓

Before you begin the scheduling process, have your first, second and third choice of dates and times planned for each section.

Walk-in appointments are not permitted.

No appointments may be made for any section of the examination fewer than five days in advance of the desired test date.

For example, if you call or go online on Monday to schedule an appointment, the first available date will be Saturday of the same week.

Candidates with testing accommodations must schedule at least 10 days in advance of the desired test date in the U.S. and territories (See "Testing Accommodations" for additional information).

Candidates testing in Guam, candidates in designated international locations and candidates requiring Testing Accommodations must follow the specific instructions for taking the examination.

For most candidates, there are two ways to make an appointment for each section of the examination.

Option 1: Visit Prometric

You will find that the easiest and quickest way to schedule an examination appointment (as well as reschedule and cancel an appointment, if necessary) is on the Internet. Using the Internet provides you 24-hour access to scheduling and avoids any “on hold” waiting time. Because of this, you have the quickest and most direct access to preferred dates and test center locations. Additionally, you will instantly receive a detailed confirmation of your appointment (on screen and via e-mail).

Before you make your appointments, you must have received your NTS. This applies to International Candidates, as well. Additionally, be ready to identify the dates, times and locations where you want to take each section. It is not necessary to make all appointments at one time. If you prefer, you may make one appointment at a time. If you do schedule more than one section on the same day, please be aware that the online appointment system does not warn you of overlapping appointment times. It is your responsibility to ensure that you have not scheduled overlapping times and have allowed enough time between sections for the check-in process.

Before you begin, you must have your NTS in front of you.

You will be required to provide various pieces of information from the NTS.

NTS

ONLINE SCHEDULING OCCURS IN SEVERAL EASY STEPS.

1. Go to the Prometric website and Select **SCHEDULE MY TEST**.
2. You will need to select the exam type which would be CPA.
3. Next click on **SCHEDULE MY TEST**
4. Select Country/State.
5. Read all the information on the Information Review screen, and click **NEXT**.
6. Read the policy information, confirm the information, choose to consent, then click **NEXT** to proceed.
7. On the Eligibility Information Screen, enter your examination section identification number from your NTS (the number listed next to your “Exam Section” in the “Section ID” column—be sure to use the correct examination identification number for the section you are scheduling), as well as the first four letters of your last name, and click **NEXT**.
8. Follow on-screen instructions to select the location then select “Schedule an Appointment”
9. You will need to read the Biometric Collection and Disclosure information, select your option, then click **NEXT** to proceed.
10. Follow the instructions in order to select your Date and Time then click **NEXT** to proceed.
11. Select **COMPLETE REGISTRATION** to complete your scheduling.

****It is advised that you print the confirmation number for your appointment and keep for your records, this confirmation page will also be used if you need to reschedule your appointment****

Option 2: Call 800-580-9648 (Candidate Services Call Center)

Prometric’s Candidate Services Call Center is open Monday through Friday from 8:00 a.m. to 8:00 p.m. Eastern time. You must schedule a separate appointment for each section of the examination that you are planning to take. If you call to schedule two or more sections, be prepared to identify the dates, times and locations you want to take each section. It is not necessary to make all appointments in one call. If you prefer, you may make one appointment at a time.

NTS

Before you call, you must have your NTS in front of you. You will be required to provide the customer service representative with various pieces of information from the NTS.

You will receive an email confirmation of your appointment. If you have not received an email confirmation, please visit the [Prometric website](#) to print a confirmation of your appointment. If you need directions to the test center, ask the customer service representative at the time you make your appointment.

There are multiple test centers in some metropolitan areas, so be sure you are certain of the correct test center location where you are scheduled to take your examinations.

Options for Taking the Examination in Guam

Regardless of which Board of Accountancy has declared you eligible for the examination, if you intend to take your examination in Guam, you must pay an **additional surcharge** for each examination section using one of the following options.

Visit NASBA’s website

Candidates testing at the Guam Computer Testing Center must pay an examination administration fee before scheduling with Prometric. Have your NTS and credit card in front of you. You will be asked to provide information from your NTS and to pay the administration fee using a credit card. Candidates are advised to view the Guam Calendar for available appointment dates and times prior to paying the surcharge. **The administration fee is non-refundable** and you will not receive a refund under any circumstances. Candidates wishing to change appointments to another test center may do so; however, they will forfeit the administration fee. Candidates may change their test center from Guam through Prometric by following the instructions previously described.

After you pay the additional administration fee for each examination section, you will need to wait at least 24 hours before

Visit <https://candidate-portal.nasba.org>

NASBA operates the Guam Computer Testing Center in cooperation with the Guam Board of Accountancy and Prometric. You will log into your NASBA CPA Candidate Account and select GUAM ADMINISTRATION in order to pay the additional fees to test in Guam. It is very important that you determine your site choice before completing this transaction.

After you pay the additional administration fee for each examination section, you will need to wait at least 24 hours before you schedule your appointment.

Call 671-475-5000 or Visit the Guam Computer Testing Center Location

The Guam Computer Testing Center is open Monday through Friday from 9:00 a.m. to 5:00 p.m. Guam time. (During portions of the year, the center may be open later.) Have your NTS and credit card in front of you when you call. You will be asked to provide information from the NTS and to pay the administration fee using a credit card. If you are a resident of Guam, you can pay your fee at the Guam Computer Testing Center location. Once you have paid the administration fee for an examination section and, for any reason you must change your site from Guam to another center outside of Guam, you may do so at the Prometric Scheduling website. However, you will not be issued a refund of the Guam Administration Fee under any circumstances.

After you pay the additional administration fee for each examination section, you will need to wait at least 24 hours before you schedule your appointment.

Options to Take the Examination in an International Location

In order to qualify to take the CPA Examination in international locations, you must establish your eligibility through a Board of Accountancy participating in the International CPA Examination Administration program. The list of participating Boards of Accountancy is posted on the [NASBA website](#).

Regardless of which Board of Accountancy has declared you eligible for the examination, if you intend to take your examination internationally, you must pay an **additional administration fee** for each examination section using NASBA's website.

Log into your NASBA CPA Candidate Account

Candidates testing at any International Testing Center must pay an examination administration fee before scheduling with Prometric. To do so, please log into your NASBA CPA Candidate Account Portal and select "International Administration." You may be required to complete a questionnaire and/or an attestation before submitting your payment.

HOW TO APPLY INTERNATIONALLY

1
Apply for the examination through a participating Board of Accountancy. When you submit your application, you may be required to submit some or all of the application and examination fees.

2
After receiving your Notice to Schedule (NTS), you may then register to take the examination in an international location and pay the additional fees per examination section.

These fees are non-refundable.

3
Log into your NASBA CPA Candidate Account, then select International Administration. Select the sections in which you are wanting to test internationally for. Next you may need to complete a questionnaire and/or an attestation. Then submit your payment.

4
Candidates who complete the registration process can attend the selected examination section(s) in the selected international location only.

You will need a valid Passport or National ID card to register.

When trying to pay the additional international fees, all of your candidate information must match what we already have in the system.

NOTE: After the registration process is complete for each examination section, you will need to wait at least 24 hours before you schedule your appointment at the testing center through Prometric.

Testing Accommodations

These are your options for scheduling the Exam if you have been approved for Testing Accommodations.

If your Board of Accountancy has approved you for testing accommodations, the information regarding the nature of the accommodation will be sent to NASBA. The type of accommodation will be shown on your NTS and will be sent to Prometric. Most boards also send a separate ADA approval letter confirming your approved Testing Accommodations. Neither you nor the Prometric Testing Accommodations Representative may make any changes to the accommodations that have been approved. When you receive your NTS, if you believe that the accommodations are incorrect, you must contact your Board of Accountancy before proceeding.

For United States & Territories,
call 1-800-967-1139
to reach Prometric.

International Locations:
Europe: 31-320-239-540
Japan: 0120-34-7737
Latin America: 1-443-751-4990
Middle East: 31-320-239-530
Korea: 007-9814-2030-248 (Korean candidates within Korea)
+1-443-455-5411 (Korean candidates outside Korea)

DO NOT contact Prometric about scheduling until you have been approved for testing accommodations by your Board of Accountancy.

Testing Accommodations appointments may not be scheduled through Prometric’s website. If you have already scheduled an exam appointment online, you will not receive your approved Testing Accommodations on the day of your exam unless you reschedule with a Prometric Testing Accommodations representative through one of the numbers indicated above.

IMPORTANT: Some types of accommodations are only available at a limited number of test centers.

Testing Accommodation Steps

NTS Required To Schedule • 1

You must have already received your NTS and have it available when calling Prometric to schedule. You will be required to provide the customer service representative with various pieces of information from the NTS.

When you call Prometric, be prepared to identify the dates, times, and locations for each section you want to take. It is not necessary to schedule all of your exam appointments in one call. If you prefer, you may make one appointment at a time.

2 • Dates Times Locations

10 Days Advance Notice • 3

Please be advised that you must call Prometric at least 10 days in advance of the date you intend to test (we highly recommend 30 days in advance for international locations).

INTERNATIONAL TESTING LOCATIONS

Please be advised: You may receive limited or no accommodations if you choose to test at an international location. The testing accommodations listed on your NTS are applicable for testing in the United States and U.S. territories only. Your approved accommodations for international locations will be detailed in an international testing accommodations email from NASBA.

4 • INTERNATIONAL TESTING LOCATIONS

Verify Information and Plan • 5

Once you have successfully scheduled your examination, a confirmation will be emailed to you by Prometric. It is your responsibility to verify that the information provided in the email confirmation matches the date, time and location you requested. In the event that you do not receive an email or the information in the email is incorrect, contact Prometric. If you need directions to the test center, ask the customer service representative at the time you make your appointment. There are multiple test centers in some metropolitan areas, so be sure you are certain of the correct test center location where you are scheduled to take your examination.

Changes to Your Appointments

After you have made an appointment for an examination section, you may find it necessary to change or cancel an appointment. Be aware that you may be required to pay a rescheduling fee or forfeit your examination fees, depending on when you notify Prometric of the change or cancellation.

If you are unable to appear for your appointment, you may cancel using one of the methods below. **If you do not cancel your appointment, or if you arrive for your appointment with the wrong NTS and/or personal ID, you will be marked as a “no-show” and you will forfeit your examination fees. There will be no refunds of examination fees for “no-show” status.**

If you do not cancel your appointment using one of the approved methods, you must wait five (5) days for NASBA to receive your “no-show” attendance status from Prometric. After the five (5) day wait, you must reapply and pay all applicable fees. You will not be able to reapply until your “no-show” attendance has been processed. Your new NTS for the same section may be effective in the same (current) testing window; however, please be advised that there is no guarantee that you will be able to schedule your appointment within the same window.

If you do not schedule an appointment before the expiration date on your NTS, you must wait seven (7) days for NASBA to process your “expired” status. You will not be able to reapply until the expiration has been processed.

Important: If your examination has already launched at the test site, you will NOT be eligible to reapply and sit in the same window. In that event, the effective dates of your new NTS will begin in the next testing window.

If you are unable to appear for your appointment due to personal hardship or extenuating circumstances, you must contact your Board of Accountancy or its designee for further instructions.

Regardless of whether you need to cancel your appointment or cancel and reschedule, you will be subject to the same fees as listed in the [Rescheduling/Cancellation Fees table](#). If you cancel, but are unsure of when you will be able to reschedule, be advised you must reschedule before the expiration date listed on your NTS or you will forfeit your examination fees.

Change or Cancel the Date, Time or Location of an Appointment

You may reschedule an existing appointment by one of two methods:

1

Use Prometric's Web scheduling tool located at Prometric's website. The system is available 24 hours a day, seven days a week. You must have your confirmation number available from your original appointment.

2

Call the Prometric Candidate Services Call Center. You will receive an email confirmation of your appointment. In addition, please be sure to write down the date, time, location and confirmation number for each of your appointments and verify that the information in your email confirmation is correct. If you have not received an email confirmation, please visit the Prometric website to print a confirmation of your appointment.

For Europe, call +31-320-239-540.
(Days and hours of operation: Monday-Friday: 8:30 am to 5 p.m. ET)

If you need to reschedule your appointment, review the Rescheduling/Cancellation Fees table on page 40 to determine deadlines and associated fees.

But I Rescheduled!

Carla needed to postpone her CPA Exam due to a medical issue. She decided to reschedule her appointment on-line with Prometric. Unfortunately, she ended her session on the verification screen and not the "appointment complete" screen. When she arrived at the test center, Prometric had no record of her attempt to reschedule. Don't jump off-line too early like Carla! Follow the instructions on each screen and check your email for confirmation of your new appointment time and place.

Rescheduling: If you reschedule an appointment with Prometric, you must go to the "Reschedule Appointment: Appointment Complete" screen. This follows the "Appointment Verification" screen. Also, make sure that you have received a confirmation email from Prometric verifying the new appointment time and place.

Candidates approved for Testing Accommodations CANNOT reschedule or cancel appointments through the Prometric website and must call the appropriate Contact Center.

Important: If you reschedule your appointment through the Prometric website, you will not be provided testing accommodations on the day of your Exam.

Rescheduling/Cancellation Fees		
 If you call this many days before your scheduled appointment...	 You will pay this fee to Prometric to make a change to the scheduled appointment.	 Example
30+ days before your scheduled appointment	\$0.00	<p>You have scheduled an appointment to take BEC on August 18 at 8:00 a.m.</p> <p>On July 16, you realize that you have a conflict on August 18. You contact Prometric to reschedule.</p> <p>Because you rescheduled 33 days before the scheduled appointment, you will not have to pay a fee to reschedule.</p> <p><i>You may reschedule to a date before or after August 18; however, it must be before the expiration date of your NTS and you cannot reschedule to a date within five days of when you do the rescheduling (e.g., July 17, 19, 20, 21 or 22).</i></p>
6-29 days before your scheduled appointment	\$35.00	<p>You have an appointment to take REG on October 2.</p> <p>On September 24, you realize that you won't be able to take your examination on October 2 and you contact Prometric to reschedule.</p> <p>Because you rescheduled within the 30-day window, you will be required to pay \$35.00 to make a change to either the date, time or test center where you will take the REG section.</p> <p><i>You may reschedule to a date either before or after October 2; however, it must be before the expiration date of your NTS and you cannot reschedule to a date within five (5) days of when you do the rescheduling.</i></p>
Five (5) days and up to 24 hours before the time of the scheduled appointment (based on local time for the testing center). If less than 24 hours, all fees are forfeited, and you must reapply. Refunds

Application and examination fees are generally not refunded, although candidates who are found to be ineligible may receive a partial refund. Remember, your NTS includes an expiration date. If your NTS expires prior to your taking the examination section, or you fail to attend your scheduled testing appointment, you will not be able to reschedule or receive a refund on any of the fees you have paid and you will have to reapply for the examination and pay the appropriate application and examination fees. Consequently, you should not apply for a section of the examination unless you are ready to take it. Check with your Board of Accountancy or its designated agent for the board’s specific refund policy.

Rescinded Eligibility

If your Board of Accountancy informs NASBA that you are no longer eligible to take the Uniform CPA Examination because of changes in education requirements, candidate misconduct, or other reasons determined by the board, your NTS will be canceled. NASBA will contact Prometric to rescind your eligibility. In the event that you are no longer eligible to take the examination, you will NOT receive a refund of any examination fees.

Test Center Closings

If severe weather or other local emergency requires a test center to be closed, every attempt will be made to contact you. However, if you are unsure if your test center is open on the day of your examination, you may call the local test center directly. If the center is open, it is your responsibility to keep the appointment. If the center is closed, you will be given the opportunity to reschedule without penalty. If you are unable to contact the local test center, check on the [Prometric site status website](#) (U.S. and territories only).

Test centers move, new ones are opened and some close from time to time. The most current list of test centers may be found on the [Prometric website](#).

Fire Codes require that businesses follow established protocol for unannounced fire drills. Please be aware that all staff members are given specific instructions on what to do during an alarm and disruption will be minimized should such an event occur during a test.

STEP 4: TAKE YOUR EXAMINATION

Arrive Early

You must arrive at the test center at least 30 minutes before the scheduled appointment time for your examination to avoid forfeiting all fees for the examination section. This allows time to sign in, undergo scanning via hand-held metal detector wand, have your digital photograph and fingerprint taken, review the security and test center policies and be seated at your workstation. Arriving for your scheduled testing appointment anytime after the scheduled start time may result in your being denied permission to test, and you will not receive a refund.

In addition, the appointment time on your confirmation notice will reflect examination testing time plus 30 minutes. The additional 30 minutes is allocated to the examination log-in and survey.

APPOINTMENT TIME

YOU MUST TAKE YOUR NOTICE TO SCHEDULE TO THE TESTING CENTER
Your NTS includes the Launch Code that you will enter on the computer as a part of the login process. Be sure to take the correct NTS with you. You will not be admitted into the test center without the correct NTS and you will forfeit all examination fees for that section.

Prometric offers the test takers of select exams the opportunity to take a 30-minute “dry-run” of the test center experience prior to their exam, whenever the test center has available appointments. The program, called Test Drive, allows candidates to walk through, on a practice basis, all check-in and testing procedures that occur at the test center on test day. Personal Identification

The Uniform CPA Examination employs very strict security measures. One level of security involves your identification. **The same form of your name must appear on your application, NTS and on the identification you present at the test center.** Do not change the spelling and do not change the order of your name on applications or when making appointments. If your name is different from your identifications at check-in, you will not be permitted to test.

The middle initial can be substituted for the middle name (e.g., the NTS reads Michael A. Smith, but the name on the candidate's license reads Michael Albert Smith), or vice versa. If you require a reprint of your NTS, you may request a reprint on [NASBA's website](#).

Truncated (shortened) names are allowable on a candidate's driver's license, as long as the name on the signature ID **exactly** matches the name on the NTS.

You are required to present **two** forms of identification when you arrive to take your examination, one of which must contain a recent photograph. Each form of identification must bear your signature and must not be expired. If you do not present acceptable identification, you will not be allowed to take your examination and you will forfeit all examination fees for that section. If your photograph identification appears to be damaged or altered in any way, you will not be allowed to sit for your examination and you will forfeit all examination fees for that section.

You Must Present One of the Following Primary Forms Of Identification:

TEST CENTERS IN THE U.S. AND ITS TERRITORIES:

Primary Forms of Identification

- Valid (not expired) driver's license with photo and signature issued by one of the fifty U.S. states or by a U.S. territory
- Valid (not expired) driver's license with photo and signature issued by a foreign government authority, that is printed in English to the extent necessary to compare your name with the one on the NTS and confirm that it is a valid driver's license (examples are driver's licenses issued by Canadian, Australian, New Zealand and British authorities, and from countries that retain English as an official language)
- Valid (not expired) Passport with photo and signature issued by the U.S. government
- Valid (not expired) government-issued Passport (for non-U.S. citizens) with a photo that has your name exactly matching the Name or Passport Name field that appears on your NTS. If your Passport is not signed, you must provide a secondary identification with a signature. Non-U.S. citizens whose signature is not required on the Passport and/or driver's license should order a NASBA Candidate Identification Card prior to taking the examination. E-mail nasbastore@nasba.org for instructions on ordering a NASBA Candidate Identification Card.
- Valid state identification card issued by one of the fifty U.S. states or by a U.S. territory. (If you do not drive, you may have an identification card issued by the agency that also issues driver's licenses)
- Valid U.S. Military identification

Secondary Forms of Identification

Secondary forms of identification must include candidate's signature. Acceptable forms of secondary identification include:

- An additional government-issued identification from the above listing
- Accountancy board-issued identification (if provided by board)
- Valid credit card
- Bank automated teller machine (ATM) card
- Bank debit card

The following are unacceptable forms of identification:

- Draft classification card
- Social Security card
- Student identification card
- U.S. permanent residency card (green card)

INTERNATIONAL TEST CENTERS:

Primary Forms of Identification

To sit for the Uniform CPA Examination in an international location, the candidate's primary form of identification **MUST** be a valid (non-expired) Passport with photo and signature, and must also meet the specific country issuance criteria noted below(*). If the Passport presented is not signed, the candidate will be required to present a secondary form of identification.

***Important:** If you cannot present a valid, Government-issued Passport (non-expired with a picture and signature), you will not be allowed to test. If the Passport is not issued by one of the countries listed on [page 35](#), you will be required to present a National ID card (Middle East), Alien Registration card (Japan), or a NASBA-provided ID.

Secondary Forms of Identification

Secondary forms of identification must include candidate's signature. Acceptable forms of secondary identification include:

- Alien registration card
- National ID card
- A valid (not expired) driver's license
- A valid (not expired) U.S. Military ID
- Accountancy board-issued identification (if provided by board)
- Valid credit card
- Bank card
- NASBA Candidate Identification Card (For additional information about the NASBA Candidate Identification Card, please visit [NASBAstore.org](https://www.nasba.org))

The following are unacceptable forms of identification:

- Employee card or ID
- Social Security Card (U.S. Citizens)
- A student identification card
- A U.S. permanent residency card (green card)

NASBA Identification Card

Candidates may request a NASBA Identification Card under these circumstances:

- You possess a valid, UNSIGNED Passport. (i.e., a signature is not required on your Passport by issuing government)
- You do not possess a valid secondary form of identification as required to take the Uniform CPA Examination
- Your State has approved the use of the NASBA Candidate Identification Card

For additional information about the NASBA Candidate Identification Card, please visit [NASBAstore.org](https://www.nasba.org).

If the test center staff has questions about the identification presented, you may be asked for additional proof of identity. You may be refused access to an examination and forfeit the examination fee for that section if the staff believes that you have not proven your identity. Admittance to the test center and examination does not imply that your identification is valid or that your scores will be reported if subsequent investigations reveal impersonation or forgery.

At the Test Center

The staff at each test center has been trained in the procedures specific to the Uniform CPA Examination. Center personnel will guide you through the steps that have been developed by the Boards of Accountancy, NASBA and the AICPA.

1. You must arrive at the test center at least 30 minutes before your scheduled appointment. If you arrive after your scheduled appointment time, you may forfeit your appointment and examination fees. Arrive early and be sure to have your correct NTS and required identification. You will not be admitted to the examination without the correct NTS and required identification.
2. Your examination should begin within 30 minutes of the scheduled start time. If circumstances arise, other than candidate error, which delay the start of your session more than 30 minutes you may continue to wait or you may request to reschedule your appointment. This also applies to situations involving a technical error during the exam which is not resolved within 30 minutes.
3. You must place personal belongings, such as a purse or cell phone, in the storage lockers provided by the test center. You will be given the key to your locker which must be returned to the test center staff when you leave. The lockers are very small and are not intended to hold large items. Do not bring anything to the test center unless it is absolutely necessary. Test center personnel will not be responsible for lost or stolen items.
4. You may bring soft, foam earplugs with no strings attached for your use. TCAs will inspect the earplugs.
5. Your ID will be scanned/swiped in the combined magnetic strip and 2D barcode reader. The ID will then be placed on a flatbed scanner which captures an electronic image of the photo ID and uses optical character recognition (OCR) to compare printed and encoded data.
6. You will have a digital photograph taken of your face. A photograph is required to test.
7. All candidates will be scanned via hand-held metal detector wand prior to each entry into the test room, including returns from breaks. Candidates will be required to turn their pockets out, pull their sleeves and pant legs back, if your shirt has a hood that must be shaken out, and the scan will be done immediately afterward. Candidates will be required to remove their eyeglasses for close visual inspection by the TCA's. Jewelry outside of wedding and engagement rings are prohibited. Hair accessories are subject to inspection. If a candidate is caught with a camera device prior to entering the testing room, it will be confiscated and you will not be able to test. If caught with a camera device while in a testing room, it will be confiscated and the Exam will be terminated.
8. PLEASE NOTE: A biometric fingerprint-capturing system will be used and is required to test. You will also be asked to provide a fingerprint before and after breaks. If for physical/medical reasons your fingerprint will not be available, you must contact your Board of Accountancy or their designated agent PRIOR to your appointment.
9. Scratch paper and pencils were replaced with two double-sided, laminated, colored sheets called "noteboards," as well as a fine-point marker for making notations. You will be directed to write your examination Launch Code (from your NTS) on your noteboards. You will be required to return the noteboards to the test center staff when your examination is complete. If you need additional writing space, you may request additional noteboards from the test center staff, but you must first turn in the original noteboards you received in order to get a new supply. You must not bring any paper or pencils to the workstation in the

Scratch Paper and Pencils may be requested. You will need to email candidatecare@nasba.org and provide your testing information (name on NTS, section, section id, date, time, test center location of your exam) no later than two weeks before your exam. Requests within two weeks will not be approved.

10. You will be escorted to a workstation by test center staff. Once seated your exam will be launched. You must remain in your seat during the examination, except when authorized to get up and leave the testing room.
11. Once you enter your Launch Code, you must proceed through the subsequent introductory examination screens without delay. There is a 5-minute time limit to read and proceed through the introductory screens and, if the 5-minute time limit is exceeded, the test session will automatically terminate and cannot be restarted. In this case, you must leave the test center, forfeit fees, reapply to test in the next test window, and receive a score of 0.
12. If you encounter ANY computer problem, report it immediately to test center staff.
13. When you finish the examination, leave the testing room quietly, turn in your two noteboards, and sign the test center log book. The test center staff will dismiss you after completing all necessary procedures.
14. Keep the Confirmation of Attendance form you receive after the examination as it provides valuable contact information. As directed on this form, report any examination incidents/concerns in writing to the addresses/ Fax numbers provided.

Introductory Examination Screens

You should be aware that once you enter your Launch Code, the subsequent introductory examination screens operate under a 5-minute time limit and you must move through the introductory screens quickly. If the 5-minute time limit is exceeded, the session will automatically terminate and it will not be possible to restart the examination. In this case, you must leave the test center, forfeit fees, reapply to test in the next test window, and receive a score of 0.

While there is adequate time to review the screens and respond, there is not time for you to take notes, leave the testing room, or do anything other than reading and responding to the screens.

After you enter your Launch Code, proceed through the introductory screens and start the examination, the computer screen will display a countdown timer at the top of the screen which will let you know the time remaining as you work through the examination. Plan your time so that you do not use your time up early in the examination and do not have enough time later in the examination. The Prometric test center appointment time includes examination testing time plus 30 minutes. The additional 30 minutes is allocated to the examination login, the candidate survey at the end of the examination and standardized break. It is not additional testing time; you will only be given four (4) hours to take the examination.

If you are a Testing Accommodations candidate and have been approved for extra time, please refer to your Board of Accountancy or designee for the actual length of your examination.

Examination Confidentiality and Break Policy

Before you begin your examination, you will be required to accept the terms of the following confidentiality and break policy statement. If you do not accept the statement, your test will be terminated and your test fees will be forfeited.

Policy Statement and Agreement Regarding Exam Confidentiality and the Taking of Breaks

I hereby agree that I will maintain the confidentiality of the Uniform CPA Exam. Violations of this confidentiality include but are not limited to:

- Engaging in any unauthorized communications during testing
- Referring to any unauthorized materials or using unauthorized equipment during testing
- Removing or attempting to remove any Uniform CPA Exam materials, notes, or any other items from the Exam
- Divulging information or receiving information about the nature or content of any Uniform CPA Exam question or answer, through any medium, under any circumstances, at any time.
- Facilitating or aiding any platforms, such as social media resources and chat groups, that enable others to divulge the nature or content of any Uniform CPA Exam question or answer, through any medium, under any circumstances, at any time.

In addition, I will report to my State Board of Accountancy or its designee about any violation of this Confidentiality Agreement of which I become aware.

Failure to adhere to this Confidentiality Agreement and/or to maintain the confidentiality of the Uniform CPA Exam could result in my immediate expulsion from the Exam, the invalidation of my scores, a disqualification from future CPA exams, the rescinding of any licenses previously granted to me, as well as applicable civil or criminal penalties.

I understand and agree that liability for test administration activities, including but not limited to the adequacy or the accuracy of test materials and equipment, and the accuracy of scoring and score reporting, will be limited to score correction or a test retake at no additional fee. I waive any and all rights to other claims.

I affirm that I have had the opportunity to read the Candidate Bulletin and I agree to all of its terms and conditions. I understand that breaks are only allowed between testlets. I understand that I will be asked to complete any open testlet before leaving the testing room for a break.

() I ACCEPT () I DECLINE

Breaks

Each examination section contains units known as testlets. Each testlet is comprised of either a group of multiple-choice questions, a group of condensed case studies (known as task-based simulations), or a group of written communication tasks. (See exam section table for more information.) You will be offered a standardized, 15-minute break after the first task based simulation testlet (approximately midway through the Exam section). This break may be accepted or declined. If you accept this break, it will not count against your testing time.

You also have the option to take a break at the end of each testlet. You will not be allowed to take a break at any other time during the examination. If you leave the testing room at any time, without exiting the testlet and selecting the break option, you will not be allowed to return to the testing room. Information regarding your absence will be reported to your Board of Accountancy.

If you choose to take a break, you will be asked to leave the testing room quietly. Access to any personal electronic devices is prohibited during your break. You will be asked for a fingerprint to verify your identification prior to and upon returning from your break. The test center staff will confirm you have completed the testlet prior to your break. When you return, you will be required to enter your Launch Code in order to continue the examination. Note that breaks lasting more than ten minutes will be reported to your Board of Accountancy. You don't have to take a break. The clock will keep running during the break (except during the standardized break); therefore, it is recommended that you use break time wisely.

Candidate Misconduct, Cheating, Copyright Infringement

The Boards of Accountancy, NASBA, and the AICPA take candidate misconduct (including cheating on the Uniform CPA Examination) very seriously. If a Board of Accountancy determines that a candidate is culpable of misconduct or has cheated, the candidate will be subject to a variety of penalties including, but not limited to, invalidation of grades, disqualification from subsequent examination administrations, and civil and criminal penalties.

In the event of an investigation into candidate misconduct or cheating, NASBA has the right to use any information obtained from candidates, including confiscated items and photos, as well as previous testing history to complete its investigation.

In cases where candidate misconduct or cheating is discovered after a candidate has obtained a CPA license or certificate, a Board of Accountancy may rescind the license or certificate.

If the test center staff suspects misconduct, a warning will be given to the candidate for any of the following situations:

-  Communicating, orally or otherwise, with another candidate or person
-  Copying from or looking at another candidate's materials or workstation
-  Allowing another candidate to copy from or look at materials or workstation
-  Giving or receiving assistance in answering examination questions or problems
-  Reading multiple-choice questions, task-based simulations, or written communication tasks aloud
-  Engaging in conduct that interferes with the administration of the examination or unnecessarily disturbing staff or other candidates

Cheating threatens your hard work and preparation. In the event you notice any other candidates cheating during your test session and wish to report your observations, please help us protect you by contacting us via any of these methods:

Call NASBA's toll free number at **855-228-7778**.

ADDITIONAL INFORMATION 59

The Boards of Accountancy, NASBA, the AICPA and Prometric take a variety of measures to prevent candidate misconduct and cheating on the examination. Test center staff is trained to watch for unusual behavior and incidents during the examination. Please note that all examination sessions are audio/video taped to document the occurrence of any unusual activity and candidate misconduct is reported to Boards of Accountancy on a daily basis.

Prometric provides NASBA with candidate personal information, including biometric data, test results and photos, which may also be used in conducting security investigations of candidate misconduct or cheating.

All examination materials are owned and copyrighted by the AICPA. Any reproduction and/or distribution of examination materials, including memorization, without the express written authorization of the AICPA is prohibited. This behavior infringes on the legal rights of the AICPA and, in addition to the penalties listed above, the AICPA will take appropriate legal action when any copyright infringements have occurred.

By applying for the CPA Examination, you agree to not engage in unauthorized assistance or collaboration on the Uniform CPA Exam, by giving unauthorized assistance to another person or receiving unauthorized assistance from another person, including in connection with preparing for the exam. Unauthorized assistance includes providing information to another person, or receiving information from another person, about the exam, exam content, questions, and/or answers.

Grounds for Dismissal

If you engage in misconduct or do not follow the test center regulations, the test center staff may dismiss you from the examination or you may have your scores canceled by your Board of Accountancy. The following are examples of behavior that will not be tolerated during the examination:

- Repeating acts of misconduct after receiving prior warning(s)
- Attempting to remove or removing examination questions from the testing room by any means
- Copying, writing or summarizing examination questions on any material other than the noteboards issued to you
- Tampering with computer software or hardware, or attempting to use a computer for any reason other than completing the examination session
- Intentional refusal or failure to comply with instructions of the test center staff
- Attempting to have an impersonator gain admission to the testing room or to substitute for you after a break
- Conduct that may threaten bodily harm or damage to property

Reporting Examination Concerns

During your examination session, report equipment/functionality issues or environmental disruptions/ distractions to test center staff without delay.

After completing your examination, if you feel that the circumstances surrounding your test administration prevented you from performing at a level consistent with your knowledge and skills; or, if you have a question or concern about the test, you must notify NASBA at candidatecare@nasba.org **no later than five (5) days from the date of your examination to document your concern. Reporting the issue to the testing site staff (TCAs) and/ or leaving a comment in the survey at the end of the examination does not take the place of filing a formal complaint with Candidate Care at NASBA. Do not wait to receive your scores before notifying NASBA.**

Comments about Examination Content

If you believe you have identified a problem with a multiple-choice question, a task-based simulation, or a written communication task, you should contact the AICPA Examinations Team either by fax at 609-671-2922 or by mail at AICPA Examinations Team, Princeton South Corporate Center, 100 Princeton South, Suite 200, Ewing, NJ 08628. Your fax or letter must be received by the AICPA within four days of testing to ensure a timely review.

Do NOT include the exact wording or attempt to outline the multiple-choice question, task-based simulation, or written communication task. Rather, provide enough information to allow the AICPA to identify the item; for example – “multiple-choice question number 18 in the second testlet” or “the Interest Expense tab in the first task-based simulation.” You should include the nature of your concern, the rationale, and, if possible, references. Be sure to include your examination section identification number in your fax or letter. The AICPA reviews every fax and letter received by the deadline; however, the AICPA is unable to respond directly to candidates.

STEP 5: RECEIVE YOUR SCORE(S)

After the Examination, candidate responses are forwarded to the AICPA for scoring. The AICPA does not receive or have access to candidate identities. The responses are identified by the examination section identification number only. When advisory scores become available, the AICPA forwards them to NASBA, which then matches the scores to individual candidates. NASBA then forwards the scores to Boards of Accountancy for approval and subsequent release to candidates. **Note: Scores cannot be given over the phone.**

Please be advised that some state Boards of Accountancy require at least one day beyond the published target dates for score release to process and release exam scores. Also, scores are NOT released by jurisdiction in a specific order, and the scores of candidates who tested on the same day may well be reported at different times during the scoring cycle.

Most candidates will receive an email once your score has been finalized and your score notice is available. You will then need to log in through your NASBA CPA Candidate Account to access and print your scores and score notices. NASBA does not release scores or score notices for the following states CA, IL, KY, or MD.

For additional information about score release or score report content, contact your Board of Accountancy or its designated agent. **Note: The AICPA does not provide score information to candidates.**

For more information on how the CPA Exam is scored, please visit the NASBA Score Information page at <https://nasba.org/exams/cpaexam/scores/>.

The Score Review and Appeal Processes

Score Review

Score review is a service to candidates offering additional assurance that operational quality controls in the scoring process were complete and the scores are accurate. Given all the quality control reviews already completed, it is highly unlikely that your score will change due to a score review.

The score review process involves making certain that the approved answer keys were used and applied correctly in determining a candidate’s score and is not an opportunity to have alternate responses considered. It is simply an additional independent verification of your Exam score. Please keep in mind that all scores undergo thorough quality control checks before they are released.

The score review option is available for candidates who have their scores released through their NASBA CPA Candidate Account. They would click the “Score Review” button next to their score if they would like to have their scores reviewed.

The option to apply for a score review is available only for a short period of time after your score has been reported to you.

Contact your Board of Accountancy, or its designated agent, for instructions on requesting a score review, paying the required fee, and meeting the score review request deadline.

If you apply after the deadline date, your request will not be processed.

Each score review cycle begins at the start of the following testing window. For example, the score review cycle for scores reported for the January/February testing window begins at the start of the April/May testing window.

Each score review cycle is for scores reported for the most recent testing window only.

For example, the second quarter (Q2) review cycle is for scores reported for the first quarter (Q1) testing window only.

*Score Appeals
are not available
in the following
jurisdictions:*

- *Virginia*

Appeal

In the jurisdictions that allow appeals, the appeal process provides candidates with the opportunity to appeal failing scores. Where available, the appeal option enables candidates who fail the examination to view the multiple-choice test questions or task-based simulation problems that they answered incorrectly together with their responses, and to submit comments online. The appeal does not include the written communication tasks. The confidentiality of the examination requires that such viewing sessions take place only in authorized locations, under highly secure conditions, and in the presence of a representative of the candidate's Board of Accountancy or its designated agent.

You should consider requesting an appeal only if you want to review your incorrect responses because you believe that there is a multiple choice question or objective task-based simulation problem that you would like to challenge.

In order to qualify for an appeal, you will be required to submit a formal request, obtain your board's approval, pay the required fee, and meet all required deadlines.

Note: The option to apply for an appeal is available only for a short period of time after your score has been reported to you.

Retaking the Examination

If you fail an examination section, you will receive a Candidate Performance Report, providing information about your examination performance as it compares with the performance of candidates in the “just passed” category – those who earned scores of between 75 and 80. This information will show you how your performance differed – by content area and by question type (multiple-choice questions, task-based simulations, written communication tasks) – from the performance of passing candidates. You are likely to find this information helpful when preparing to retake an examination section. This information is a tool to evaluate your performance and to serve as a study guide.

It is strongly suggested that you not apply for a section of the examination until you are ready to take it. Taking the re-examination involves two categories of required fees that are to be paid either to your Board of Accountancy or to NASBA:

Registration Fees	Re-examination Fees
These fees are established by and paid to your Board of Accountancy or its designated agent.	These fees depend on the section(s) of the examination and are paid either to your Board of Accountancy, its designated agent, or NASBA.

Candidate Performance Report FAQs, as well as a sample score report are available on the [AICPA website](#).

If you have any questions about a policy on retaking the examination, you must contact your Board of Accountancy or its designated agent.
