

**STATE OF OKLAHOMA  
OKLAHOMA ACCOUNTANCY BOARD  
PEER REVIEW OVERSIGHT COMMITTEE**

**Peer Review Oversight Committee Annual Report for Calendar Year 2020**

**11/19/2021**

Pursuant to the Oklahoma Accountancy Act (The Act), §15.30, the Oklahoma Accountancy Board (OAB) establishes a peer review program to monitor firms' compliance with applicable accounting and auditing standards adopted by generally recognized standard setting bodies. The program emphasizes education, including appropriate remedial procedures, which may be recommended or required when financial statement reports do not comply with professional standards. In the event a firm does not comply with established professional standards, or a firm's professional work is so inadequate as to warrant disciplinary actions, the OAB shall take appropriate action to protect the public interest.

The OAB, pursuant to Title 10 of the Oklahoma Administrative Code; Subchapter 33; Section 10:15-33-3 adopts the "*Standards for Performing and Reporting on Peer Reviews*," as promulgated by the American Institute of Certified Public Accountants (AICPA) or other standards approved by the OAB as its minimum standards for peer review of registrants.

Oversight of the minimum standards for peer review of registrants is established through the OAB's Peer Review Oversight Committee (PROC) which is provided for in 10:15-33-7 of the Oklahoma Administrative Code.

The purpose of the PROC is to monitor sponsoring organizations and provide the OAB with a reasonable assurance that peer reviews are being conducted and reported on in accordance with the OAB's minimum standards for peer review, review the policies and procedures of sponsoring organization applicants as to their conformity with the peer review minimum standards, and report to the OAB on the conclusions and recommendations reached as a result of performing the aforementioned functions.

**I. Operating statement**

*"To evaluate and monitor the peer review program established by the Board to provide reasonable assurance that the American Institute of Certified Public Accountants Peer Review Program standards are being properly administered in the state of Oklahoma making referrals to the Board for further action as needed."*

**II. Oversight Procedures**

*Oversight procedures have been established to ensure that the peer reviews being administered to OAB registrants are being conducted and reported in accordance with peer review minimum standards (PROC Operating Summary attached).*

- A. At least one PROC member is scheduled to attend in person, all Oklahoma Society of Certified Public Accountant's (OSCPA) Peer Review Committee meetings to consider the acceptance bodies' deliberations in accepting peer reviews;
- B. On an annual basis, the PROC reviews the qualifications of each entity approved by the OAB to administer peer reviews. The PROC shall first seek to rely on the NASBA Peer Review Compliance Committee's list of approved Peer Review Oversight Committees as oversight to ensure peer reviews are being performed in accordance with AICPA Minimum Standards. In the event this list is not available for the PROC to review, it will then seek to rely on the administering entity's AICPA Oversight Report;

- C. To perform a detailed review of all Pass with Deficiency and Fail peer review reports. Assess remedial action prescribed by the sponsoring organization for appropriateness and recommend additional remedial action if deemed necessary;
- D. Monitor remedial and corrective actions as prescribed by the PROC and/or the administering entity to determine compliance by the firm;
- E. Accept all pass system and engagement peer review reports submitted to the OAB; and
- F. As deemed appropriate, refer firms to the OAB's Enforcement Committee for failing to comply with the OAB's peer review program or performing work that is so inadequate as to warrant disciplinary action. Files referred to the Enforcement Committee by the PROC may include commentary and/or suggestions for potential corrective actions. Firms will be referred to the Enforcement Committee for:
  - Receiving consecutive substandard reports. Firms shall automatically be sent to the Enforcement Committee for further scrutiny unless the PROC determines the firm to have complied to the extent this action is not warranted (NASBA Peer Review Compliance Committee Guidelines and Peer Review Committee Directive);
  - Failing to submit required reports (10:15-33-6);
  - Peer Review reports requiring continued oversight following deficient reports as described in 10:15-33-5; and
  - Others as deemed appropriate by the PROC

IV. Conclusion

*The PROC has concluded that for calendar year 2020:*

- A. Technical reviews are being performed and reviewed in a timely manner by the OSCPA;
- B. Technical reviewers appear knowledgeable about their function;
- C. Technical reviewers resolve inconsistencies and disagreements before accepting reports;
- D. Technical reviewers make the OSCPA Peer Review Committee aware of matters needed to properly evaluate the review.
- E. The technical reviewers are available during the meetings to answer questions; and
- F. During its oversight of the OSCPA Report Acceptance Bodies (RAB), the PROC specifically noted the various RABs consistently held open and thorough discussions of reviews. While attending 2020 meetings, the PROC also observed the RABs address every issue with purpose and in a thoughtful and meaningful discussion. Finally, the PROC concludes the vast knowledge collectively shared by RAB members regarding acceptance procedures and corrective or monitoring actions to be excellent.

Nothing came to the PROC's attention that would lead them to believe that, these administering entities were not administering peer reviews in accordance with "Standards for Performing and Reporting on Peer Reviews," as promulgated by the AICPA.

Finally, the PROC concludes that peer reviews administered by the OSCPA are being performed for Oklahoma registrants in accordance with the "Standards for Performing and Reporting on Peer Reviews," as promulgated by the AICPA.
