### **NASBA, AICPA, Prometric Expand International CPA Examination Testing Locations, Effective June 2, 2022**

**NASHVILLE, NEW YORK, BALTIMORE (June 2, 2022)** – Today, the [National Association of State Boards of Accountancy \(NASBA\)](#), [American Institute of CPAs \(AICPA\)](#) and [Prometric](#) announce qualified Uniform CPA Examination candidates applying to participating jurisdictions will have the option of testing at any international location where the CPA Exam is currently offered. This is effective as of June 2, 2022.

Testing eligibility for qualified international CPA Exam candidates was previously determined through jurisdictions participating in the international administration of the CPA Exam and limited to sites based on a candidate's residency and citizenship. Before June 2, 2022, as an example, a candidate residing in Japan could test in Japan or the United States, but not test in India or Brazil. Now, that candidate may test in each of those locations and more. Once a candidate from a participating jurisdiction qualifies to take the CPA Exam, they can choose to test at any international Prometric Test Center where the CPA Exam is offered. International Prometric Test Centers exclude the United States, Canada, Puerto Rico, Guam and Virgin Islands.

This change will offer greater flexibility for international test takers and encourage more international residents to consider pursuing their CPA designation and careers in the accounting profession.

For additional details regarding the international administration of the CPA Exam and approved international testing locations, [CLICK HERE](#).

#### **About NASBA**

Since 1908, the National Association of State Boards of Accountancy ([NASBA](#)) has served as a forum for the nation's Boards of Accountancy, which administer the Uniform CPA Examination, license more than 650,000 certified public accountants and regulate the practice of public accountancy in the United States.

NASBA's mission is to enhance the effectiveness and advance the common interests of the Boards of Accountancy in meeting their regulatory responsibilities. The Association promotes the exchange of information among accountancy boards, serving the needs of the 55 U.S. jurisdictions.

NASBA is headquartered in Nashville, TN, with an International Computer Testing and Call Center in Guam and operations in San Juan, PR. To learn more about NASBA, visit <https://www.nasba.org>.

### **About the American Institute of CPAs**

The American Institute of CPAs® (AICPA®) is the world's largest member association representing the CPA profession, with more than 421,000 members in the United States and worldwide, and a history of serving the public interest since 1887. AICPA members represent many areas of practice, including business and industry, public practice, government, education and consulting. The AICPA sets ethical standards for its members and U.S. auditing standards for private companies, not-for-profit organizations, and federal, state and local governments. It develops and grades the Uniform CPA Examination, offers specialized credentials, builds the pipeline of future talent and drives continuing education to advance the vitality, relevance and quality of the profession.

### **About Prometric**
