Learn, experience, and set your sights on the historical Port of Los Angeles and its surrounding area. Start your day visiting the Korean Bell of Friendship, a massive and intricately decorated bell and pavilion that was donated in 1976 to the people of Los Angeles to celebrate the bicentennial of the U.S. independence in honoring veterans of the Korean War.

Next, you will visit the Marine Mammal Care Center, a non-profit hospital for marine animals that are stranded on the 70+ miles of beaches from Malibu to Seal Beach due to illness, injury, and malnutrition. MMCC has provided life-saving care for marine animals in need since 1992, with the goal of rehabilitating and releasing them back to their ocean home.

Then you will visit the port, which is a large-scale permanent handmade artisan marketplace. The classically restored 1940's-era Warehouse No 10 is home to more than 100 individual artists, crafters, and food makers, each presenting their unique handcrafted goods in a vibrant patchwork of shop spaces.

Port of Los Angeles*

After lunch, get set to visit the Maritime Museum. Discover the history of the Port of Los Angeles, on land and at Sea! Exhibits include Commercial Diving, Caught Canned & Eaten, Poseidon Model Angeles Gate Tugboat, and more.
