

SOUTH CAROLINA EXPERIENCE REQUIREMENTS

- At least one year of acceptable experience for public, governmental, or private/industry roles.
 - Part time roles must add up to at least 2,000 total hours before applying for licensure.
- OR at least five years of full-time experience teaching in an accredited college or university (academia). Part time teaching roles can be pro-rated.
- ○ Acceptable experience includes experience (or teaching) in business services or advice using accounting, attest services, compilation, management advisory, financial advisory, tax or consulting skills.
- Experience must under the direct supervision and review of an actively licensed CPA, or you may apply to the NASBA Experience Verification Service.
- If the applicant obtained the experience seven or more years before submitting a license application, the applicant shall have obtained an additional six months of experience within two years before submitting the license application.
