Over the years, theatre-goers have been flocking to The Great White Way for one reason: to hear a story. Hear these tales, from flops and disasters to successes and legends! Being a part of "show business," guides will give you insider info to make you see Broadway like never before! With rarely seen photographs from years of research, you will see Broadway's past and present merge before your eyes.

Journey back in time to 1903 as you will get a rare behind the scenes look at Broadway's oldest theater: The Hudson. This interior tour offers an exclusive view of the nooks and crannies of this historic building that was restored in 2017 to its original glory after decades of narrowly avoiding demolition. Bask in these stories told in the theatrical silence of an empty Broadway theater, a rare, one-of-a-kind experience to peek behind the curtain on Broadway!

Please wear comfortable shoes and dress accordingly to the weather as this will be a walking tour just steps away from the Marriott Marquis. Lunch will follow at the conclusion of the tour.
