

# Maryland

## *Waiver of Social Security Number Verification*

All Maryland candidates who are submitting an educational evaluation application must list their Social Security Number when completing their application. If you do not have an SSN, you may still be eligible by providing either your passport number or your Canadian identification number and you are required to submit this form as part of your application. If you do not provide an SSN when you apply, then your application will be considered incomplete without this form. If the required documents are not received within 45 days of the submission date of your application, your application will be marked as incomplete and will not be processed further. Failure to submit all required supporting documents will result in the denial of your application, forfeiture of your application fee, and the secure destruction of all documents submitted.
