Certificate of Enrollment

If you are within 180 days of meeting the education requirements for this state and are currently enrolled in an academic program at a U.S. college or university, you may still qualify to sit for the Uniform CPA Examination. You may not sit for the examination more than 90 days prior to the date you anticipate completing your education. In conjunction with your application for the Uniform CPA Examination, this form must be submitted to CPA Examination Services (along with an official transcript). CPA Examination Services must receive a final official transcript documenting successful completion of the education listed below no later than 150 days immediately following the date you sit for your first section of the Examination or the date you anticipate completing your education (as listed below), whichever occurs first. Although you may be permitted to submit a new application to retake failed sections or to sit for new sections before your final official transcript has been received, if you pass the examination, your Successful Candidate letter will not be released until your transcript has been received.
