REGISTRATIONS NOW DUE

The 2025-2026 paper Registration forms and online links are now available on the Registration page of the [Board's website](#). All CPAs, PAs, NLOs and Firms must submit a 2025-2026 Registration Form no later than December 31, 2025. Forms submitted after December 31, 2025 are subject to a late renewal penalty of \$100. Forms submitted after February 28, 2026 are subject to a late renewal penalty of \$500. Disciplinary action will be taken for anyone who has **not registered after March 31, 2026**.

INSTRUCTIONAL VIDEO

A helpful video is available on our website to assist with any questions you may have with creating an account and/or uploading your CPE for the online registrations. The link to this video can be found on the Registration page of the Board's website or by clicking [here](#).

CPE REPORTING

CPE reporting is completed on your annual registration form each year. Please make sure to have your CPE certificates of completion in hand when you complete the CPE reporting portion of your registration. Make sure that you have independently verifiable evidence of completion for 40 hours of CPE, including 8 hours of accounting and auditing CPE and 2 hours of ethics CPE.

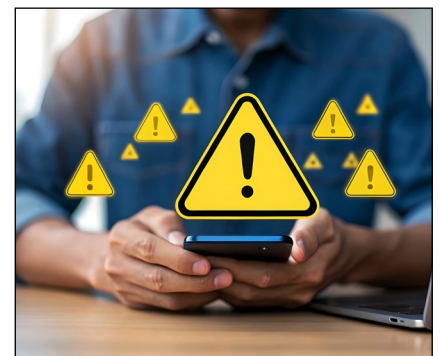

CPE EXTENSIONS

CPE must have been completed by September 30, 2025. If you find that you did not complete the required hours, please email Ashley Sides to request a CPE extension. In your email, please include your name, certificate number, the date by which you plan to have your CPE completed, and the reason you need the extension. CPE extensions that extend beyond December 31, 2025 will mean that your late registration will be assessed the applicable late penalty.

FALSE ATTESTATIONS

The Board strongly advises licensees who have not completed their required CPE to reach out to the Board office. Do not falsely attest completion of CPE courses in order to renew your license as active. Licensees who falsely attest to completion of CPE could face disciplinary action that may include possible censure or revocation, making up the deficient CPE hours, completion of an additional ethics course and substantial fines. The Board encourages licensees to change their status and renew as inactive status rather than falsely attest CPE completion. (Please refer to Board Rules pertaining to Inactive status.) If you have any questions regarding registration, please contact the Board office.

Congratulations!

TOP 3 COMMON AUDIT FINDINGS

Misclassifying Tax Courses as Accounting & Auditing

Tax is a separate field of study and should be reported under the "Other" category. If your certificate says "Tax," it does not count as Accounting and Auditing CPE. Finance also does not count as Accounting and Auditing CPE, Finance happens after financial statements are issued.

Misreporting Dates or Hours to Complete Registration

Don't input false dates or hours just to move forward online. If you're having trouble, call our office — we're here to help.

Claiming Hours Without a Certificate in Hand

You must have your certificate in hand before claiming CPE hours during registration.

No certificate = no credit.

ARE YOU COMPLETING YOUR REGISTRATION OR IS SOMEONE ELSE?

Each licensee is personally responsible for the accuracy of all items on the annual registration form. Additionally, each Resident Manager of a firm is responsible for the accuracy of all items on the firm registration. As such, each licensee and each resident manager should complete his or her own form, reviewing each item for accuracy before submission. Below is the statement that you are agreeing to when you sign your form (either digitally or physically), so make sure that you are the one reviewing and hitting that submit button for renewal of your license.

I certify under penalty of perjury that all statements and information contained herein are true, accurate and correct in every aspect, to the best of my knowledge and belief; and that I have not suppressed any information that might affect my renewal, with full knowledge that the information submitted in this renewal may be grounds for disciplinary action against my certificate.
