

LOUISIANA EXPERIENCE REQUIREMENTS

- Applicants must have the necessary one (1) year of qualifying experience verified by a licensed CPA who is in a position to know the type of work performed.
 - o The experience must have been obtained within the four (4) years preceding the date of the license application.
 - o The experience must involve the use of accounting, attest, management advisory, financial advisory, tax, or consulting skills. It must be of sufficient complexity and diversity.
 - o The experience may be from employment in government, public practice, private industry, or academia.
 - o Part-time employment shall consist of no fewer than 2,000 hours of performance of services that extends over a period of no less than one (1) year and no more than four (4) years.
- One (1) year of experience may also be satisfied via military service program completion or special training that is substantially equivalent to, or exceeds the licensing requirements or the experience requirements of the State Board of CPA's of Louisiana. Military experience must be verifiable and is not acceptable if applicant received a dishonorable discharge or has been disciplined by the military or by any state or jurisdiction for an act that would cause denial of the issuance of a certificate.
